Rug No	Greyhound		Weight	PASS / FAIL - Comment	
1	Cumbria Pete		32.7	Passed - Stewards acknowledged Cumbria Pete (1) received a weight variation penalty at Nowra on Monday 6 May 2024, however, due to the mitigating circumstances attached to the penalty whereby no incapacitation period was issued, Stewards authorised the greyhound to undertake a satisfactory weight trial. Therefore, Cumbria Pete (1) was trialling to acquire a new racing weight in accordance GAR102. The greyhound trialled to the satisfaction of Stewards and is now approved to resume racing at a new weight of 32.7kg.
